PROFESSIONAL SUMMARY

Motivated and detail-oriented MCA student with strong foundations in frontend development and JavaScript. Skilled in building responsive web applications using HTML, CSS, JavaScript, React.js, and Bootstrap. Passionate about creating user-friendly interfaces and continuously learning modern web technologies. Seeking a Frontend or Web Developer opportunity to apply technical skills and contribute to impactful digital products.

PROJECTS

Smart Task Manager
React Application

Live: taskmanagerreact-psi.vercel.app | **GitHub:** github.com/Akshitam11/Todolist-React-

- Developed a feature-rich task management application using React.js with full CRUD functionality.
- Implemented local storage to persist user data, with task filtering, search, and priority-based categorization.
- Added dark and light mode support and designed a responsive interface with interactive elements and smooth transitions.

Classes Website
Frontend Project

Live: classes-website-9qgz-g15txrgws-akshitam11s-projects.vercel.app | **GitHub:** github.com/Akshitam11/Classes-website

- Developed a responsive website for a coaching platform using HTML, CSS, and JavaScript.
- Designed structured layouts and navigation to improve usability across desktop and mobile devices.

React Mini Projects Collection
React Practice Suite

Live: react-mini-projects-self.vercel.app | **GitHub:** github.com/Akshitam11/React-Mini-Projects

- Built multiple small React.js applications to strengthen understanding of components, props, state, and dynamic rendering.
- Implemented features such as theme toggles, event handling, and interactive UI updates.

ENTREPRENEURIAL EXPERIENCE

Co-Founder, PACrocheting
Handmade Crochet Brand

- Manage customized crochet product orders, customer communication, and product planning for a small handmade business.
- Promote products through social media platforms and support customer-focused order customization.
